AFLCMC… Providing the Warfighter's Edge

"The five core missions of the Air Force are not going to change. These missions are what the combatant commanders and the nation expect us to provide, but ***the way we think about how they are provided has to change."***

~General Welsh

"The most urgent thing for our Air Force is [the] need to embed, in all that we do, a sense of ***strategic agility***…we need to be quicker…we need to keep up with the rapid pace of change that we see going on around the world"

~Secretary James
